## MacX DVD Ripper Pro before April 25

MacX DVD Software today announces that a 15-day giveaway for 2014 Easter Day gets underway. From April 11 to 25, 2014, the world famous MacX DVD Ripper Pro is available as a free Easter gift to brighten up customers' Easter festivities and let them revel in unbounded DVD movie enjoyment.

Short after bidding farewell to the finger-licking spring promotion, MacX DVD Software fares forth to greet 2014 Easter holiday with a half-month giveaway of its tried-and-true MacX DVD Ripper Pro to brighten up customers' Easter festivities. From April 11 to 25, 2014, customers can not only seize the No.1 fast Mac DVD ripper mainly for DVD backup and conversion without costing a dime, but get its all-star software programs with up to 70% off discount.

The 2014 Easter giveaway will expire on April 25, so anyone interested in DVD backup, ripping and converting for fair use can take the time to nab the DVD ripper for Mac freely before the expiration date at: <http://www.macxdvd.com/giveaway/easter-giveaway-offer.htm>

Despite it's unclear about Easter spending this year, customers' concern about personal finances will continue unabated for sure. To ensure people attain maximum value for their hard earned money and get the most cost-effective software, MacX DVD Software gives away the widely applauded MacX DVD Ripper Pro to address customers' demand of unrestricted movie enjoyment during the Easter.

MacX DVD Ripper Pro offered in the 2014 Easter promotion is entirely the latest version which is so up-to-date and professional that even the latest encrypted DVD movies like Disney Frozen, Hunger Games Catching Fire, Gravity, 12 Years a Slave, etc. can be ripped to a wide range of video and audio formats, disregarding any copy protection schemes like CSS, Region Code, Sony ARccOS, Disney X-project DRM copy protection, etc.

The beefed up DVD ripper for Mac also takes a leadership role in flawless devices support. Infused with 370+ preset profiles, it makes a faultless bridge between optical discs and mobile devices, including the latest Samsung Galaxy S5, iPhone 5S, iPad Air, iPad Mini with Retina display, HTC One, Surface Pro, and many more. Besides having a good consistency with the video quality, the Easter gift leads the park of competitors in terms of DVD ripping speed, delivering a 36X faster real-time converting speed compared with other similar Mac DVD rippers.
